Re: Certification of Compliance

Dear Valued Whitney Customers:

Our products are manufactured in compliance with the following rules and standards:

- 16 CFR 1303 Ban of Lead and other heavy metals in Paint and Surface Coatings
- 16 CFR 1509 and ASTM F405-02 Requirements for Non-full Size Baby Cribs
- 16 CFR 1500 Hazardous Substances Act Regulations
- ASTM F2285 Standard Consumer Safety Specifications for Diaper Changing Tables for commercial use.
- California Carb approval of third party materials as specified under Section 93120.4, Title 17, California Code of Regulations.

Whitney Bros. Co. certifies that all of our products are compliant with the lead and Phthalate limits effective as of August 14, 2011 as defined by the Consumer Product Safety Improvement Act of 2008.

Whitney Bros. Co. certifies that no cautionary statement under Section 105 of the Consumer Product Safety Improvement Act of 2008 is applicable to any product sold or furnished by us.

All of our products are Green Guard Certified and so meet or exceed Government standards for emissions. Each quarter our products are tested to insure compliance.

Please contact us to receive specific product testing results and Carb confirms from third party raw material sources.

David Stabler, President  
Whitney Bros. Co.
