Testimonials from leading designers

"I am always looking for opportunities to infuse our education design environments with gentle references to nature. The Nature View Collection by Whitney Brothers® is charming and well designed, utilizing images of prairie flowers and foliage in combination with natural wood. I have not seen anything similar to this unique collection and will definitely look for future opportunities to specify the brand."

Peggy Hoffmann, IIDA, LEED AP, REFP Design Principal FGM Architects "Our clients are especially demanding about the quality, competitive pricing and service of Early Learning furniture. Whitney Brothers® furniture effuses premium design and quality and an intuitive understanding of the specialized ergonomic and spatial needs of early learners, and we specify their products to our clients without hesitation and with complete confidence the brand delivers the best overall value, period."

Daniel A. Bisson, AIA HARRIMAN Architects + Engineers "Whitney Brothers® products exhibit remarkable quality and durability and are sensitively designed for the specific curricular, spatial, and aesthetic needs of our youngest learners. I recommend the brand to all my clients and strive to specify them on every early childhood project I am privileged to design."

Stephanie L. Sharkey, LEED AP Senior Project Designer, Architecture & Interiors Wight & Company
